# PROSPECTUS

Academic Year: 2026-2027

(A CSR Initiative)

## Atiya Residential Coaching Academy

Atiya Foundation is a pioneer institution in the field of modern education to facilitate competitive atmosphere to students desiring to get through several government exams, particularly civil services examination at national and state level. It is a result-oriented institution that imparts value driven and quality education to shape all round personalities that can lead tomorrow.

Atiya Education and Health Foundation, primarily known as Atiya Foundation which was established in 2010, has been continuously and vigorously working in the field of education and health where we strive for the welfare and betterment of the society. We have organized thousands of free health camps for different strata on small scale as we do not intend to publicize our benevolent deeds. We firmly believe that a charity announced never remains a charity.

## Our Mission

To identify and guide students who can contribute towards nation building through civil services and help them inculcate Indian values and ethos.

## Our Vision

To make sure that innovative and imaginative persons including those from disadvantaged segments of Indian society should join the civil services. The best of the administrators are those who are well connected to the ground-realities of the societies, so we believe that those students should be given a good opportunity to come forward and make their dreams come true.

## Our Values

In order to fulfill the purpose of our organization we promote and practice the following values: Respect, Integrity, Diligence and Compassion.

## Our Philosophy

Education is the best gift that parents can give. We believe in educating a child during his/her various stages of development while being aware of its motivations and changing interests. For this, regular interactions with the mentors becomes critical. At Atiya we believe in giving the student the freedom to excel in his own field while we push him to walk the extra-mile when he feels tired. The main ingredient for consistency is motivation and a competitive ambiance and here at Atiya the two are found in abundance.

## Infrastructure and Facilities

The Coaching Academy is located in Patel Nagar, 2 kms away from ORN-The Hub of all the best coaching centers for UPSC-CSE, Central Delhi. Necessary infrastructures such as classrooms, library, offices, computer lab etc. are properly available to cater to the requirements. Alongwith, the excellent rooms are available for the students for the occupancy with best-in-class dining facilities. The true class of the foundation is the togetherness of the students where everyone puts in that extra effort to help the other person to walk along and cross the line. In the year 2024 we established one more facility at Dwarka Sector-8
